Dear Aviators,

We are delighted to welcome each of you to the beautiful shores of **The Commonwealth Of The Bahamas**. It is our hope that you will be able to visit many of our Family Islands.

The significance of the private flyer is evident to us, hence, we have simplified our procedures for movement throughout our archipelago by combing the General Declaration (Form C7A) and our Inter-Island (Coastwise) Movement Form (Transire) to be completed upon initial report inwards thereby avoiding the issuance of a new form for each of our Islands on any visit to The Bahamas.

Additionally, individuals flying for pleasure are not required to pay Customs Service Charges regardless of the Port of arrival/departure or time of day. However, there is a one time Fifty Dollars (\$50.00) Processing Fee upon arrival from foreign.

Your contributions to The Bahamas are appreciated and it is our hope that you would continue to allow us to share in your memorable experiences.

Yours truly,

Charles Turner

Comptroller of Customs
